Annual Meeting and 2007 BOD Elections

The annual membership meeting will be held after the pistol stages at the November match.

- This is the opportunity for you to express to the current BOD and the general membership any issues or concerns.
- **If you can't come, relay anything you wish conveyed via a proxy.**
- This is also the opportunity to declare your candidacy for the 2007 BOD. While you will have the opportunity to run as a write-in candidate up until the election day, the 2007 BOD ballot will be locked down soon after the November meeting for printing.
- **Contact Bernie Haldiman, Club Secretary to register your candidacy in writing.**
- When you declare your candidacy, also indicate what position you are seeking. (For description of the positions within the BOD, go to the end of this newsletter.)
- **The elections will be held at the December match.**
- If you cannot make the December match, you can still cast your vote shares by written proxy. Be sure to arrange for the proxy in writing in advance to get your vote counted.

Club Workday

After the November meeting, we will be having club workday on the range. We will be looking to:

- Repair the south wall of the old shed
- Move the props out of the Pavilion to a suitable storage area

Bring your lunch and help for few hours

2007 Membership

It's not too early to sign up for 2007 membership. At the next match, let Gary know that you are paying your dues for next year. Bring your proof of NRA Membership and be prepared to sign up for two stages in 2007.

November Match Notes

- The Classifier will be set up on the LE range. Depending on the complexity of the Classifier, additional speed course may also be established on that range.
- The November match date is the 3rd Saturday of the month! As many of you will be going out for the opening day weekend for deer on the 11th, the match date was scheduled for the 18th.

- Long Gun Shooters – Declare your division... Default will be OPEN.

MPSL Membership Requirements

Recently there have been several incidences where members failed to set up their course of fire, without advance notice or valid reasons. Please remember that as a club, we all voted in the rules regarding member responsibilities (357 vs. 26 vote shares) at the last election:

- To be a member in good standing and be eligible to participate at member rates, one must sign up **AND** set up two courses of fire during the year.
- Alternative means for providing service to the club in lieu of setting up two courses were also covered. If you wish to provide service in some other way, you must present your request in writing to the BOD for approval.
- If you have circumstances that prevent you from fulfilling your requirements on your own, it is first up to you to find a suitable substitute. If your substitute sets up for you, your obligations are met... Any method of compensation for your substitute will be between you and your back-up.

New Shooter Shooting Tips

Remember to load your gun to full capacity for your division... Unless the COF requires you to start with an unloaded gun... always top off your gun with a round in chamber. If you are shooting L-10 or Production, make sure you start with 10+1 rounds in your gun – If shooting Single Stack/Major, start with 8+1.

- 11/03/06 Bullethole Practical Shooting Club – Special Classifier – 2 Classifiers (06-03 & 06-06)
This is an opportunity for new shooters to build up their number of classifiers. Once you have 4 classifiers for a Division on record, you get a National Classification.
